Garnishments in USDC DC On and for the behalf of the UNITED STATES	<div style="text-align: center;"> [18-mc-7 In re: David Merrill] </div> <div style="text-align: right;">  </div>
Joinder	

COMES NOW, David Merrill of the family VAN PELT and Redeemed. Demand is made for redemption of central banking currency in Lawful Money in all transactions pursuant to Title 12 USC §411 and §16 of the Federal Reserve Act. Service to the agent is service to the principal and vice versa.

Dear Clerk of Court;

This document is to joinder Thomas Edward of the GAMBLE family into this Albany Remand of garnishments albeit his action of garnishment is preventive and preemptive. Thomas Edward has been redeeming lawful money since 2015 and is thoroughly educated about his right to be redeemed and demand lawful money redemption.

There are twenty or so claimants joindered into this Albany Remand all on and for the behalf of the United States. Risk management and security and confidence-building measures for global central banking have keen interest in knowing how bond-dodging among literally all the federal judges exacerbates mischievous behaviors such as "unfiling" crucial documents from PACER publication and thus felony tampering with a witness or victim. The relationship between judge and clerk is clearly that the clerk is superior to the judge even when the judge is in a validated office at bench. So obligations of the clerk prevail and violations of law are reported below, cited Title 18 USC §§1506 and 1512.

Refusal for Cause is on the Order by HOLLANDER to file instead into a 2012 miscellaneous case file Case #12-mc-484 hereinafter "Evidence Dumpster". The Evidence Dumpster is also Refused for Cause.

Note this last Request confirmation for BREDAR came in only a moment ago. It has a different Case # than the earlier unnamed Request. Request Case #7126 had no name in the Description field; "[BREDAR]" was added for clarity.

Below, Case #4733 is the FOIA Request for HOLLANDER yet the Department of Justice (DoJ) obfuscates the email by giving her name as "UNDER AGENCY REVIEW". How can the name be under agency review? More like the attorneys at the DoJ are reviewing whether or not to confirm if they have HOLLANDER's name correct.

Likewise with all the request updates, the DoJ is obfuscating specifics by not including the name of any of the pretending judicial officers. In the case(s) of BREDAR (#7126 and #4809), the pretending chief judge there are two case numbers for his one request. Oddly the DoJ is keeping late hours for the second case #4809, that arrived by email just in time to be included into this joinder.

The results as of 10/7/19 are showing:

This behavior, two FOIA request cases, comes off nervous and fragmented. As though the Department of Justice is confused about showing the Chief Judge's oath of office. The abundance of deviant federal oaths predicts clearly that BREDAR is pretending to be a judge.

The report for FOIA Request #4802 is about Richard D. BENNETT. As demonstrated below global deviation of federal judges abounds in the federal judiciary, so it is presumed that BENNETT is in racketeering with the bond-dodging. Richard BENNETT opened the Evidence Dumpster in 2012. None of these actors have authority to be entering judgments about judicial business. Experience in context of this Albany Remand alone foretells that if the DoJ comes forth with any oaths they will be deviant, altering the final sentence to CAPITONYM.

The original FOIA request #4802 is about Richard D. BENNETT. As demonstrated below, a number of federal judges, records in the federal judiciary, as well as a number of BENNETT is in connection with the food-banking Richard BENNETT, opened the Evidence Hunter in 2017. None of these actors have authority to be entering judgments about federal business. Experience in context of the Attorney General alone reveals that if the DOJ forces hands with any entity they will be denied, a point the first sentence to CAPITON / M.

Above are four Case Request Number's for three alleged judicial officers. None of whom has any business deciding matters judicial, like with the evidential testimony documents that have been "unfiled" and discarded into the Evidence Dumpster.

Re: DOJ-2019-005916
DRH VAV MEC

Dear Luis Colon:

This responds to your Freedom of Information Act (FOIA) request received in this Office on July 16, 2019, in which you requested the Oath of Office and Appointment affidavit for United States Magistrate Judge Daniel J. Stewart.

Please be advised that the Office of Legal Policy (OLP), for which this Office processes FOIA requests, maintains records pertaining to all sitting federal judges, except magistrate, bankruptcy, Tax Court, Veterans Appeals Court, and military Court of Appeals judges. For your information, records relating to all federal judges, including Magistrate Judge Daniel J. Stewart, are maintained by the Administrative Office of the United States Courts (AOUSC). As the AOUSC is an entity within the judicial branch, it is not subject to the FOIA. Although the policy of the AOUSC is not to release documents to the public, should you wish to contact that entity its address follows:

Judges Compensation and Retirement Services Office
Administrative Office of the United States Courts
One Columbus Circle, NE
Washington, DC 20544

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552 (2012 & Supp. V 2017). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

You may contact our FOIA Public Liaison, Valerie Villanueva, for any further assistance and to discuss any aspect of your request at: Office of Information Policy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001; telephone at 202-514-3642; or facsimile at 202-514-1009.

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601

Mr. Luis Alberto Colón

Dear Mr. Colón:

This is in response to your request for a copy of the oath of office form for the Honorable Daniel J. Stewart. The Administrative Office of the United States Courts does not provide copies of a judge's signed oath of office. However, this letter will confirm that Daniel J. Stewart has been appointed as a judge of the Northern District of New York and took the oath of office prescribed by law as noted below. The text of the oath of office for judges may be found in the United States Code at 28 U.S.C. § 453 and 5 U.S.C. § 3331. Please also note that United States Judges are not issued bonds.

This means that it is nearly impossible for people to actually read Daniel J. STEWART's oath for the deviant SO HELP ME GOD encryption. And since it was likely more trouble to be evasive the presumption that STEWART's fungible fidelity bond is bogus is a reasonable presumption. This is mentioned in support of this Doc as Certificate of Exigent Circumstances and that judicial review is impracticable - therefore the clerk of the appeals court shall issue garnishment and lien process ordering immediate collections of these claims, through the US

Dear Mr. :

You attempted to appeal from the failure of the Initial Request Staff (IR Staff) of the Office of Information Policy, acting on behalf of the Office of Legal Policy, to respond to your Freedom of Information Act request for access to records concerning Supreme Court Justice John Roberts.

Department of Justice regulations provide for an administrative appeal to the Office of Information Policy only after there has been an adverse determination by a component. See 28 C.F.R. § 16.8(a) (2017). As no adverse determination has yet been made by the IR Staff, there is no action for this Office to consider on appeal.

As you may know, the FOIA authorizes requesters to file a lawsuit when an agency takes longer than the statutory time period to respond. See 5 U.S.C. § 552(a)(6)(C)(i). However, I can assure you that this Office has contacted the IR Staff and has been advised that your request is being processed. If you are dissatisfied with the IR Staff's final response, you may appeal again to this Office.

This Office has forwarded a copy of your letter to the IR Staff. You should contact the IR Staff's Requester Service Center at 202-514-3642 for further updates regarding the status of your request.

If you have any questions regarding the action this Office has taken on your appeal, you may contact this Office's FOIA Public Liaison for your appeal. Specifically, you may speak with the undersigned agency official by calling (202) 514-3642.

Sincerely,

6/19/2018
